

What a Story Nestor!

(Quelle histoire Nestor !)

"The text and the illustrations come together, enrich and complete each other to give us a mischievous picture book full of fun details and winks. A great success!" — Takam Tikou Magazine

Nestor is about to pay a visit to his cousin Eugene, when he realizes he has a bit of a problem. He doesn't have a suitcase in which to pack his belongings. Who could help him solve his problem? Gaspard? Marius? Madeleine? Or maybe Mystic Fox, who thinks he knows someone who knows someone who knows someone...
